Map of House:

The house is located just behind the Best Western Vista Villas on the North side of Tamarindo. From the house you are about a 15 minute walk down to the beach, or less than a 5 minute drive.

Driving Directions From Liberia Airport:

Upon leaving the Daniel Oduber Quirós International Airport (LIR) you make a right and will be on Rt. 21. Continue South through Comunidad to Belén. The Road between the airport and Belén is well paved and passes through sugar cane farms and there are small towns along the way. You will also pass Do It Center and some other stores in a group. You'll find abundant places to stop for a cold drink and snacks. Belén is a well marked and busy three way intersection. You'll see a new commercial strip with gas station on the Southwest corner and a lot of signs indicating to turn right for Tamarindo, Potrero, Huacas, Brasilito and other towns. Turn Right and follow signs to Flamingo, Huacas and Tamarindo.

In Huacas you turn left for Tamarindo and all you have to do is follow the road signs, which will lead you to a right turn in the small village of Villareal. Follow this road and you will have reached your destination: Playa Tamarindo.

Casa Colina Del Mar

Driving Directions

As you are coming into Tamarindo from Villareal, you will pass the Hotel Pueblo Dorado on your left. Take the first left turn just after Hotel Pueblo Dorado onto a dirt road (immediately before the entrance to the Best Western – Tamarindo Vista Villas). At the "T" intersection, turn right. After about 100 yards, you will come to a fork in the road. Take the road on the left that leads up the hill. You will pass two sections of cobblestones. Casa Colina del Mar is the sixth and last house on the left. Stop outside the large wooden gate and honk your horn. The caretakers will be there to let you in.
