Suggested Money to Bring:

* \$100 US Dollars (new/clean/non-ripped small denominations of \$1s, \$5s, 10s & \$20s)

* One or Two Visa or MasterCard ATM/Bank Debit Cards

For withdrawing Costa Rican Colones at ATMs for spending cash. Your bank will charge a ATM fee (usually \$3-5 US dollars) and the Costa Rica ATM will charge a currency conversion fee, which is about 1.5%-3% depending on how much you withdraw. Most ATM machines in Costa Rica (and they seem to be popping up everywhere now), accept all the main partners, like PLUS, STAR, Interlink, etc., so you shouldn't have a problem using your ATM / Debit Card to withdraw local currency or make charges at places that accept Visa or MasterCard charges.

Exchange Rate

\$1 US Dollar = ₡500.00 Colones (as of 02/14/11)

Climate/Forecast

Dry Season / Sunshine during the day and light showers in afternoons (20% chance of rain in the rainforest and mountains)
